

Professional Validation: Project Title

Project category: Commercial / Private Sector or Non-profit / Public Sector

What was your organization's relationship with the entrant relevant to the work being submitted?

Which department(s) collaborated with the entrant — and how?

Please include a comment about the impact of the project:

---

I hereby verify that the information contained within the entrant's 1 page summary and 5-page report on this project are correct and may be shared with the public.

Any confidential information, that should not be shared with the public, has been highlighted and explicitly mentioned within the 5-page report. This will only be viewed by the Service Design Award jury and will not be published. The jury will not communicate this information outside of judging sessions.
